PAINTED FURNITURE

All our painted furniture is made from solid oak with real wood veneers.

All drawers are made using dovetail joints and the runners are soft close.

The Devon range has soft close hinges and the Sussex range uses conventional hinges.

We have two standard marble tops Carrara and Crema Marfil, both 30mm thick.

If neither of these fit in with your colour scheme or you have a particular requirement this can be accommodated.

Prices are inclusive of the following:

Sprayed to match any paint colour.

Carrara or Crema Marfil marble top and splashback.

Under mounted or vessel basin fitted.

Tap holes.
